# Trinity Grammar School

9th September, 2009

Dear Parents

Over the next twelve months your son will experience one of the most exciting and challenging aspects of his time at Trinity when he visits the School's beautiful Pine Bluff Campus.

Your son will have the opportunity to enjoy the pristine Australian bush in the comfortable surrounds of our Outdoor Education Centre under the expert guidance of the Master of Pine Bluff, Mrs Janice Roberts and her team. He will be intellectually challenged by the rigorous academic programme, physically challenged by the adventure programme and will have to adjust to living in a close knit and interdependent community with responsibilities for cleaning, food preparation and for the care of his own gear.

Please find enclosed your Pine Bluff Camp Information flyer with camp dates, Parent Visiting Days, direction details, an accommodation link and gear list. You can also access the school link; [http://www.trinity.nsw.edu.au/abouttheschool/pb\\_default.asp](http://www.trinity.nsw.edu.au/abouttheschool/pb_default.asp) for more information.

One of the aims of the programme is to encourage students to form new relationships and so the Camps have been put together in a **carefully random fashion**. Your son's Camp allocation may only be changed if he is too unwell to attend and it is important to realise that this experience is an important and compulsory part of the Year 9 programme. The **Pine Bluff Medical Form** is also enclosed. It is critical that this form is filled out carefully and **returned to my office by Thursday 24<sup>th</sup> September**. Please note that it is the responsibility of parents to notify the School in writing of changes to any boy's medical needs prior to or during any Pine Bluff Camp.

Additional information regarding the Pine Bluff Programme may be found in the School Record Book in the pink section. Boys and parents should read this section carefully together so that they are familiar with the expectations and demands of the programme. It is important for all boys to realise that Pine Bluff is a campus of the School and that the normal standards of dress and deportment apply, notwithstanding the fact that they will be out of School uniform. Please note also that boys will travel to and from Camp in their School Tracksuit.

This is a fantastic opportunity and one on which many boys reflect as a highlight of their days at Trinity when it comes time to leave the School. If you have any questions regarding your son's upcoming Pine Bluff experience, please feel free to contact me at School on 9581 6142 or you may also wish to talk to the Master of Pine Bluff on 4835 2231.

Warmest regards
