

Trinity Grammar School

Football Clinic

July School Holidays for Years K to 6

Your son will have the opportunity to develop his ball skills and general fitness as he plays various games that centre on having fun with a football. The camp is not intended to be a marketing tool for Football but rather an opportunity for boys to develop skills that are easily transferable to other ball games. The level of instruction will be appropriate for the age of the boys so that they gain the knowledge, confidence and experience to ensure success and enjoyment.

The coaching staff are fully qualified coaches who were former or are present distinguished Football players. Leading the coaching staff will be **David Barrett** current school teacher at Westfields Sports High. David played well over 300 NSL games for Sydney Olympic, Sydney United and Parramatta Power and in 2007 coached the Marconi Stallions 1st Grade team to the minor premiership in the NSW Super League. David has organised many Football camps for Trinity Grammar for all age groups. Other notable coaches include former Socceroos, **Ante Milicic** (current Australian U/20s Assistant Coach) and **Abbass Saad** (current Director of Football at Sydney Olympic)
