Doctor of Medicine Applicants

Applications for the 2022 intake will open 1 August 2021 and close Midnight AEST 30 September 2021. Late applications will not be accepted.

The purpose of our admissions process is to identify students who will learn and thrive in the environments in which we teach and from which our medical students build their careers.

Medicine is a physically and mentally challenging profession where practitioners are often required to put the interest of their patients over their own. The Joint Program in Medicine is a five-year undergraduate degree which aims to help candidates develop necessary skills for practice of medicine. [How to apply](#).
