

CAREERS @ TRINITY

Courses and Contacts – 11 February 2022

*Your pathway will be unique to you.
Ask questions, challenge yourself and look forward to the
'next' on your pathway.*

General

What is the ATAR?

The ATAR is a rank, not a mark. The Australian Tertiary Admission Rank (ATAR) is a number between 0.00 and 99.95 that indicates a student's position relative to all the students in their age group (ie all 16 to 20 year olds in NSW). So, an ATAR of 80.00 means that you are 20 per cent from the top of your age group (not your Year 12 group).

Universities use the ATAR to help them select students for their courses and admission to most tertiary courses is based on your selection rank (your ATAR + any applicable adjustments). Most universities also use other criteria when selecting students (eg a personal statement, a questionnaire, a portfolio of work, an audition, an interview or a test).

https://www.uac.edu.au/future-applicants/atar?utm_medium=email&utm_campaign=Directions%20January%202022&utm_content=Directions%20January%202022+CID_0c6ca606e9ff9d8f4a78af992a6f27d1&utm_source=Email%20marketing%20software&utm_term=More%20about%20the%20ATAR

ACU

Uni Step-Up is your chance to experience university life by studying two first-year units while you are still in senior secondary school. Develop connections with current university students and staff and get a head start on what it takes to study at a tertiary level. The program is delivered face-to-face and online modes at Australian Catholic University (ACU). The program is funded through the Higher Education Participation and Partnership Program (HEPPP) Uni Step Up is delivered at no cost to eligible students.

About the program

Uni Step-Up gives you the chance to meet new people, make links to careers and courses, get to know the options available to you after school, and connect with current university students. You can receive credit for a university degree and get credit for related undergraduate courses at ACU. There is no charge - complete two university units HECS free. Get a head start for university and test out a subject area and develop your skills in academic writing and referencing. This is a unique pathway to further study - participants who successfully complete two Uni Step-Up units may be eligible to receive an unconditional direct entry offer to a mapped ACU course.

Uni Step-Up is delivered face-to-face during the September and January school holidays at ACU campuses in Melbourne, Ballarat, Sydney, and Brisbane. Students in regional and remote areas can also undertake the program online during the school term.

TAFE/Apprenticeships

The Volvo Apprenticeship Program

The Volvo Apprenticeship Program has been designed to equip you with the relevant skills and knowledge to become fully qualified in your chosen career.

The Volvo apprenticeship lasts for four years (three years block release at the Volvo Technical Center) and consists of a variety of workplace and off-the-job training. Your career will be given full support to help you successfully complete the Program. Few businesses can offer their employees such diversity, challenges, excellent training and career development prospects. Volvo offer a wide choice of attractive career opportunities for all levels of experience, aptitude and personality types - whether you are technically minded, a 'numbers' person or more people orientated. Every apprentice is encouraged to demonstrate initiative and contribute his or her own ideas for improving customer service and developing the business. But this approach requires a special type of person. You must have the ambition to contribute and succeed in a fast-paced, results oriented environment and strive to be the best in everything you do.
