

## CAREERS @ TRINITY

### Courses and Contacts – 19 August 2022

*Your pathway will be unique to you.  
Ask questions, challenge yourself and look forward to the  
'next' on your pathway.*

#### UAC

*Have a back-up plan: Pathways to Uni*

UAC always recommends that, when you choose your course preferences, you include a 'back-up' course; that is, a course you are confident you'll be offered a place in and will be happy to study if you miss out on offers for your higher preferences. For example, you could include a diploma course in a similar area of study as your preferred degree course. You could then use your diploma studies as a stepping stone to the degree: you may even be able to move straight into second year. ### *Life of a Mathematician | 31 August 2022. 5pm*

Have you wondered what a day in the life of a mathematician is like? And what jobs are available in this growing sector? Join award-winning mathematician, Professor Mary Myerscough, to find out what an average day of work might be like in the field of mathematics. In this session you will learn about the exciting work being done by mathematicians, from creating mathematical models to map how healthy cells become cancer cells, to how social insects organise their societies. ### *Academic Excellence Scheme in English and Maths*

The Academic Excellence Scheme recognises high performance in English and mathematics by applying adjustment factors to boost your selection rank.

Depending on the course you have applied for and whether you achieved a Band 5 or 6 (or equivalent) in high-level English or mathematics, you can have an adjustment of up to five points added to your ATAR or equivalent IB score, to raise your selection rank for an eligible course.

If your ATAR or equivalent IB score is up to five points below the entry requirement for your course of choice, through excellence in English or mathematics you can potentially still gain entry to that course. [More information.](#)

### *Sydney College of the Arts Portfolio Day 2022 - Online Event | Thu., 29 Sep 22. 4:00 pm – 7:00 pm*
