NOTES:

* In addition to the normal schedule of fees and charges.

The pinnacle of Trinity's Outdoor Education is the Field Studies Programme (FSP), where our Year 9 students spend a term living together on our custom-built campus in Woollamia, learning about themselves, their community and the environment.

It's often spoken about as a highlight of their Trinity journey, with students still talking about it years later.

The cost of the Field Studies Programme is included in the fees for Year 9

- I. Tuition fees will be charged annually at the beginning of each year.
- II. The School Council has directed that tuition fees can be paid in:
 - II.I one payment at the start of the year, or
 - II.II equal weekly, fortnightly, monthly or termly instalments provided the instalment amounts would clear the fees owing by the end of that calendar year.

Unless an appropriate payment plan in accordance with the above has been put in place, a student's enrolment will be discontinued.

- III. Ancillary fees, levies, charges and other

amounts that become payable to the School will be invoiced quarterly with payment due within 21 days from the date of the invoice.

- IV. A full term's notice - in writing and addressed to the Headmaster - is required of intention to withdraw a boy from the School. A full term's fee is charged for withdrawal without such notice.
- V. A discount is allowed for brothers who attend the School at the same time:
 - V.I 5% for the second son
 - V.II 15% for the third and subsequent sons
- VI. An administration fee of \$50 will

apply to fees where an instalment arrangement is in default and the School has cause to issue a notice concerning the outstanding fees.

- VII. The Building Fund donations are fully tax-deductible and specifically used for building improvements.
- VIII. All fees are reviewed annually. Over the last decade, tuition fees have increased between 3% and 9% per annum. Similar increases should be expected into the future.
- IX. For payment of School Fees in advance, please contact the Bursar.
- X. The School does not offer extended payment terms. Extension of fee payments is available via Edstart.

Edstart is a leading technology and financial service company providing funding and payment services for education.
