## THE TRINITY BUILDING FUND

*Together, We Build More Than Walls*

Our School is more than classrooms—it's a community. When you contribute to the Building Fund, you're helping create spaces where friendships grow, ideas flourish, and boys feel they belong.

Trinity families continue to give generously to the Voluntary Building Fund annually. Through this, significant improvements have been delivered during 2025. At Summer Hill, Science laboratories and TAS classrooms have been refurbished. At Strathfield, a new playground at the Preparatory School has been completed. These projects reflect our continual improvement commitment to the built educational landscape of your sons, the most significant of which is the Summer Hill Renewal Project. We hope to be using at least some of the new and refurbished facilities in Term 4 2026, with the project completed for 2027.

A voluntary Building Fund contribution can be set up at the same time as setting up your School Fee Payment Plan, following the same flexible payment plan schedule.

Example:

- One **Annual** Contribution: $500
- Four **Termly** Payments of $125
- **Fortnightly** Payments (Alternating Weeks)
  - → Option 1: 24 payments commencing 29 January 2026 of $20.83
  - → Option 2: 24 payments commencing 5 February 2026 of $20.83
- **Monthly** Payments
  - → Option 1: 11 payments commencing 2 February 2026 of $41.67
  - → Option 2: 11 payments commencing 16 February 2026 $41.67
- **Weekly** Payments
  - → 48 payments commencing 29 January 2026 of $10.42

We are delighted so many of our Trinity families have donated to and supported this important fund. Thank you.

All contributions made to the School's Building Fund are tax-deductible. A receipt for contributions to the Building Fund will be issued early in July 2026.

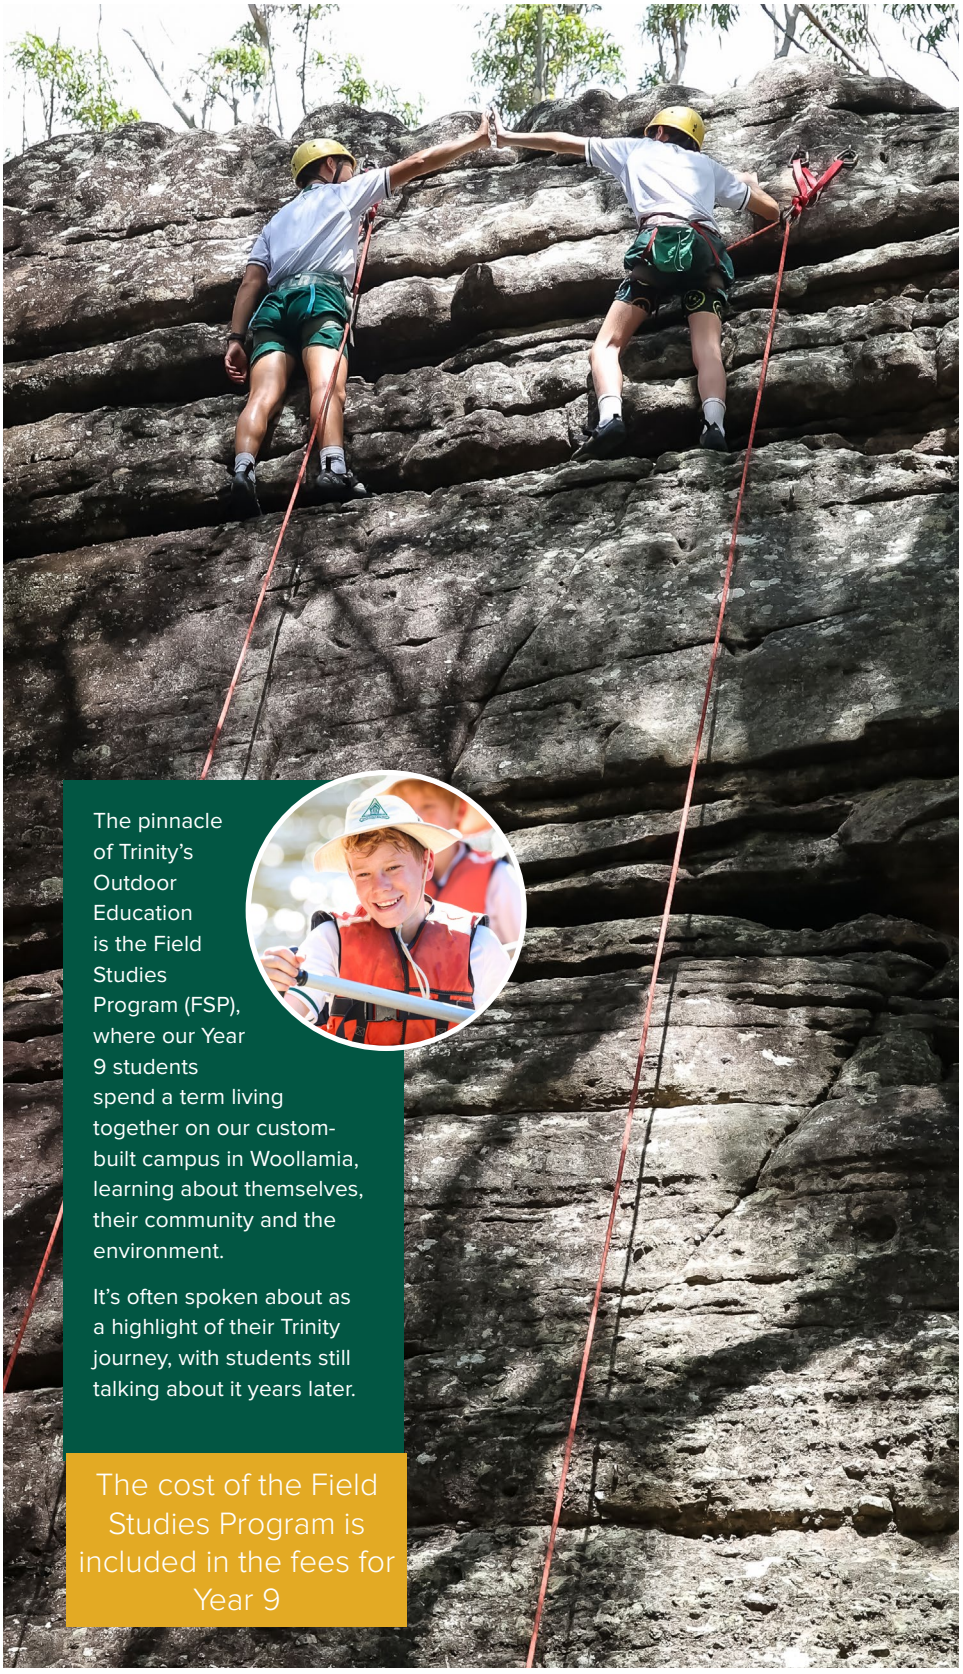
NOTES: * In addition to the normal schedule of fees and charges.

1. Tuition fees will be charged annually at the beginning of each year.
2. The School Council has directed that the tuition fees can be paid in one payment at the start of the year, or in equal weekly, fortnightly, monthly or termly instalments, provided the instalment amounts would clear the fees owing by the end of that calendar year. Unless an appropriate payment plan in accordance with the above has been put in place, a student's enrolment will be discontinued.
3. Ancillary fees, levies, charges and other amounts that become payable to the School will be invoiced quarterly with payment due within 21 days from the date of the invoice.
4. A full term's notice - in writing and addressed to the Headmaster - is required of intention to withdraw a boy from the School. A full term's fee is charged for withdrawal without such notice.
5. A discount is allowed for brothers who attend the School at the same time:
   - 5% for the second son
   - 15% for the third and subsequent sons
6. An administration fee of $50 will apply to fees where an instalment arrangement is in default and the School has cause to issue a notice concerning the outstanding fees.
7. Recovery of Payment Processing Fees. The School reserves the right to recover any fees, charges, or percentages imposed by third-party payment processing platforms (including but not limited to credit card processors and online payment gateways) in connection with the payment of School fees. Such amounts will be charged back to the payer at the same rate applied by the processing platform and will be added to the total amount payable.
8. The Building Fund donations are fully tax-deductible and specifically used for building improvements.
9. All fees are reviewed annually. Over the last decade, tuition fees have increased between 3% and 9% per annum. Similar increases should be expected into the future.
10. For payment of School Fees in advance, please contact the Bursar.
11. The School does not offer extended payment terms. Extension of fee payments is available via Edstart.

    Edstart is a leading technology and financial service company providing funding and payment services for education.

    Applications can be made at https://edstart.com.au/trinitynsw



The pinnacle of Trinity's Outdoor Education is the Field Studies Program (FSP), where our Year 9 students spend a term living together on our custom-built campus in Woollamia, learning about themselves, their community and the environment.

It's often spoken about as a highlight of their Trinity journey, with students still talking about it years later.

The cost of the Field Studies Program is included in the fees for Year 9

**Acknowledgement of Country**

Trinity Grammar School acknowledges that our Summer Hill and Strathfield campuses stand on the traditional land of the Wangal people, and that our Woollamia campus is on Jerrinja Wandi Wandian and Wandandian country. We recognise Aboriginal connection to, and care of, these lands through countless generations and we offer our respect to Aboriginal elders, past and present. As a School, we commit ourselves to the ongoing work of Reconciliation.
